Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes:
"From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . .

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

Separating a Man from his Money, it can be done all right—ask Doc.

But separating a man from his money for poor Building Material is a different proposition.

When you see some of the stuff that masquerades under the guise of Lumber and Building Material we really wonder how some people can be separated from their money so easily.

It's all very well to think of your dollars when buying Lumber and Building Material, but it is also mighty good judgment to consider the quality in relation to the price.

When we sell you Lumber and Building Material we first look to Quality—then to price—and finally to the best and quickest way of giving both.
